In response to the "Notification of Defective Response" dated May 1, 2009, Applicant herewith submits to the US Designated/Elected Office (DO/EO/US) the following items and other information:

- (X) A readable copy of the Declaration in 3 pages.
- (X) A readable copy of the Power of Attorney in 2 pages, with readable copy of Assignment in 2 pages, appointing practitioners associated with Customer Number **20995** as attorneys to prosecute the application and to transact all business in the United States Patent and Trademark Office connected therewith.
- (X) Applicants note that a Preliminary Amendment was filed on October 11, 2007, and was acknowledged as having been received by the USPTO in the May 1, 2009 "Notification of Defective Response." This Preliminary Amendment canceled Claims 18-34 and 37-50 without prejudice, thereby leaving Claims 1-17, 35, 36, and 51 pending. These pending claims include three independent claims and twenty claims total, so the present application does not require any additional claim fees.
- (X) Applicants respectfully request that the attorneys of record be updated in accordance with the Power of Attorney submitted herewith.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 11-1410.
